Low Income Special Enrollment Period

As of August 25, 2025, members at or below 150% FPL are no longer able to change plans and/or issuers monthly, across all Exchanges.

- Members will need to enroll during the annual OEP.
- Members may still make plan changes in 2026 if they experience a different qualifying life event, which would make them eligible for a SEP.
- This provision does not apply to federally recognized tribal members.

Enhanced Advance Premium Tax Credits

Enhanced Advance Premium Tax Credits (eAPTC) are expiring on Dec. 31, 2025 and will not be available on 2026 plans.

eAPTC made tax credits available to households with incomes above 400% FPL.

- Members who lose eAPTC's will see an increase in their monthly premiums.
- Traditional APTC's (100-400% FPL) will remain in place for 2026 plans.

Make sure your clients understand how their premium is impacted and be ready to help!

Enhanced Advance Premium Tax Credits

Enhanced Advance Premium Tax Credits (eAPTC) are expiring on Dec. 31, 2025 and will not be available on 2026 plans.
